

Shawn Whitney,
DDS

6 Office Staff

Coeur d'Alene, ID

Since: 2017

Dr. Shawn Whitney increased his number of procedures by **25%** year over year after integrating Waterlase Dentistry™ into his practice. He has experienced an improvement in clinical outcomes and case acceptance, while increasing his hourly production by **60%**. His patients report less post-operative swelling and sensitivity, and experience fewer complications with Waterlase®.
